Welcome to Highland View
Church of Christ!

A Welcoming Church!

It is evident that Christ lives among us! I look around and I see hearts that are warm and welcoming. This is huge to our visitors! We want to always portray a positive faith that rejoices in the experience of Christian fellowship.

How can we make a difference in the lives of others? During the assembly time on Sunday morning look around and find someone you do not know and introduce yourself.

Also, if you find a guest or visitor, and they are open to it, take them out to eat on Sunday. Get to know others. This intentional effort on our part to be a welcoming church is the warp and woof of practical fellowship.

Finally, if you see a new face, invite them to your small group experience. People love to be asked to be a part of something significant. May God give us the ongoing desire and spirit to be a "welcoming church!"

In Christian love, Curtis
