## Welcome to Highland View Church of Christ!

This morning you may notice that we have several families missing. They are on a congregational family retreat at Booker T. Washington State park just north of Chattanooga. Keep everyone in your prayers as they make their way back home later today.

Various activities of fellowship and ways to get involved in congregational life are abundantly offered every week. When we actively are involved, we represent each part of the body working properly (See Ephesians 4:16).

As a result of this, the body grows and builds itself up in love. We are thankful for every single person in our congregation! We pray constantly that you are finding meaningful and significant ways to be involved, using your gifts and talents to bless and serve others. Whether we are at a state park, or working in the nursery, we all need each other!

To God be the glory!

In Christian love, Curtis
