- **FOOD PANTRY NEWS**—The 2016 Postal Workers Food Collection sponsored by the Union of Postal Workers provided approximately 7,500 pounds of food for our pantry. We appreciate the organization and work of the postal workers. Highland View provided a cadre of truck drivers and workers that weighed, loaded, unloaded, and sorted. Without their effort, our shelves would not be full. Distribution of this food began Thursday when 75 households were served. Every year, along with the good non-perishable food, we receive some unexpected items. This year, a bottle of furniture polish finished second to a can of roasted sea weed as the most unusual item.
