## Welcome to Highland View Church of Christ!

### What Deep Longings Do We Have?

*"Something in the religious rituals of the Sunday morning assembly satisfies the human heart."*

The above statement by a Christian writer is amazing and intriguing. Perhaps this is a confirmation that God knew what we needed when the early church began assembling together!

I wonder what is in our hearts that needs satisfying?

How about purpose, rhythm, meaning, relationships, encouragement, praise, memory, sharing, etc.!

Deep human longings for God and being connected meaningfully to God's people provides the social glue for the congregation.

If you no longer assembled with God's people in the Sunday morning assembly, would you miss it? Would others miss you?

Praise God for the divine response to our deep human longings! May we always make it a priority to assembly with God's people so our human hearts can be satisfied in a God-honoring way!

In Christian love, Curtis
