Welcome to Highland View
Church of Christ!

A BIG "Thank you" to all who helped out last Sunday for Small Group Emphasis! We could not have done it without your help. No matter what role you played, and no matter what task you completed, nothing was too small or unimportant!

I especially enjoyed the video and email testimonies, along with the table displays for each of our 7 small groups.

If you need assistance in deciding which group to join, or if you would like to pursue small group leadership training, please see me.

Another thing that amazed with the displays was being aware of the variety of biblical resources and studies that each group has pursued. Rich indeed!

TODAY at 1:30 we have our monthly Assembly Planning Ministry that meets to plan and implement future activities that relation to our congregational life.

On the docket for today is planning for Sunday, December 25 since Christmas falls on that day. Your ideas and input are most welcomed!

In Christian love, Curtis
