## Welcome to Highland View Church of Christ!

Encouraged by Our Living Hope!

It does not take much to get discouraged. As we continue to pursue our congregational theme for the rest of the year, we will have some lessons from the book of 1 Peter. I encourage you to read this letter from the apostle Peter as we begin this exploration together.

Peter says so many things that make up our living hope. As a Christian, we all have difficult times and circumstances that challenge the vigor of our living hope.

But, our hope is living because of the living and risen Lord Jesus! Nothing in all of creation can take away that certain hope. The opposite of a living hope is a dead hope. This means there would be nothing to live for and no meaning for tomorrow.

However, it is by God's great mercy (1 Peter 1:3) that we have this living hope. Because Christ was raised from the dead we have such a hope. This is a call to abandon hopeless living and replace it with resurrected living in hope. Join us this fall as we hear anew the voice of Peter regarding our living hope!

In Christian love, Curtis
