## Welcome to Highland View Church of Christ!

### The Nurturing Center

The assembly is, by its very nature, the "nurturing center" where we learn how to get along with one another in Christ, and build friendships based on the blood of Christ.

In the assembly, we learn how to get along with one another by practicing Christian tolerance and mutual deference. We realize that we are not here for ourselves, but for each other!

In the assembly, we learn how to build friendships by reaching out to those we do not know. Visitors, and others we do not know, become our opportunity to extend the handshake of friendship and invite others into our own world.

I love the idea that the assembly is our "nurturing center." Every Sunday when we come, we come with the expectation that we will be nurtured and grow in our faith toward one another! My prayer this morning is that you will walk away today feeling that you truly have had an opportunity to be nurtured!  
In Christian love, Curtis
