ALL IN (Part 1--Wednesday Night)

God is interested in much more than status change. The invitation of Jesus is more than moving from "lost to "found." It is an ***invitation into an adventurous life*** that is full of joy, hope, risk, and purpose. Take the plunge into all Jesus invites you into. It will be the greatest thrill of your life. So, what is it that keeps us from living "all in" for Jesus?

ALL IN (Part 2--Thursday Night)

"How do I become a Christian?" That is an important question. However, the questions the Bible spends much more time discussing are questions like these, "How do Christians live? What do Christians do? How are Christians to behave with everything around them is hostile and godless?" Here is ***the beauty of being a Jesus-follower***: it is realizing that the same Jesus who invites you into a salvation moment; is the same Jesus who invites you into a meaningful, intentional life. And this changes everything!

Classes for all ages of children, nursery through 6th grade both nights. Bible stories and fun activities will be included. These will take place in the usual AWANA and Pre-school classrooms. Circle these two nights (Oct 19 & 20) on your fall calendar. Make plans to be a part of this special event!
