Legacy of Love Banquet

70+ Years of wisdom, grace, mercy, love, and examples of the bride of Christ

SUNDAY FEBRUARY 7TH, 11:45AM

The “Valentine’s Dinner”, “Widows and Widowers Reception”, the “Love Dinner”, and the now “Legacy of Love Banquet”. This beautiful Highland View tradition has had several names over the years, and several different target audiences of honorees. We believe that all of them, past, present, and future, serve as a testament to the Legacy of Love this congregation continually shows to all and, perhaps most importantly, passes on to each generation.

The Highland View family members support spiritually, emotionally, motivationally, prayerfully, and financially the young people of this family and, for that, we are all forever grateful. Some fruits you get to see rather quickly, some take longer to grow and mature, and some fruits you may never get to see—but I assure you, they are there.

You are among the next generation’s “great cloud of witnesses”. You are lighting their path, guiding their steps, teaching them about grace, about mercy, about the character of God, and providing examples of Jesus for them to follow. You are an integral part of raising up the next generation of this family... our family... God’s family.

As such, we hope you will come join us for the 2016 Legacy of Love banquet, share a meal, share a conversation, offer and accept words of thankfulness and encouragement, and be honored for your commitment to the Bride of Christ.

Thank you for being our Legacy of Love, as we continue that legacy and carry it forward, to the very ends of the earth.
