DETAILS

Children's Classes (babies through 5th grade)

Children are precious in the sight of the Lord, and we love all little ones. All these classes take place in the education wing located on the "swimming pool side" of the building. Below you will see the current studies and activities on Sunday mornings and Wednesday evenings.

CHILDREN - SUNDAY MORNING CLASSES (9:30a - 10:15a)

- Babies and Toddlers- Nursery across from the kitchen (ground floor on left side of hallway)- Teacher Patti Boyd (professional school teacher)
- Ages 4 through 2nd Grade - ground floor, 1st room in the children's wing - Teachers are Jeff and April Connelly. Teaching "LifeLINKS to God" curriculum from 21st Century Christian publishing company.
- Grades 3 through 5 - 2nd floor of the children's wing - Teachers are Cathy Smith and Melanie Palmer. They are also teaching the same curriculum for their age group from the "LifeLINKS to God" series.

CHILDREN -Sunday Morning Children's Church (~10:50a-11:30a)

After the Communion service has concluded and the weekly contribution has been collected, our song leader will announce that children are dismissed to Children's Church. This is strictly voluntary, so if parents wish to keep their children with them in the auditorium, of course they may.

Children's Church is conducted in room 10 (1st room behind the auditorium through the door to your left as you face the stage). This class is led by Jackie Cornett with several adult volunteers assisting her with Bible stories, singing, and learning activities for the children ages 4-11.

Note that for younger children, there is one attended nursery in the 1st floor of the education wing, one unattended nursery at the back of the auditorium (to the left as you enter the foyer), and one toddler "cry room" for restless youngsters if you need to use these facilities.
