PRAYER REQUESTS

- Remember in your prayers, **ROBERT GROSS and Frances**. Robert has another tumor developing at the same place as the previous one. It's been less than 3 months since his last surgery. Even if they had chosen to do radiation it could not have been done because the incision had not healed sufficiently. This week, Robert will have a CT scan, biopsy and a trip to see the oncologist to determine what step will be next. The surgeon wants to schedule surgery as soon as possible.
- **LEVI DODD needs your prayers for complete healing as he recovers from pericarditis** which is inflammation of any of the layers of the thin tissue sac that surrounds the heart. A heart catheter showed a healthy heart and no damage from elevated heart enzymes.
- **CAROLYN KEITH**, our sister in Christ at New York Avenue Church of Christ, passed away on October 11th. She had suffered a stroke the week before. There will be a Memorial Service possibly on Saturday, November 3, 2018 but the date has not been confirmed yet. Pray for comfort for her husband Don and their children and grandchildren.
