ANNOUNCEMENTS

"Dear Highland View Family,

We will return to in person assemblies on March 7, 2021.

Our Restart Advisory Committee continues to study the COVID situation thoroughly.

Based on reduced numbers in Anderson and Roane counties as well as Knox county, we feel it is safe to return to in person assemblies.

Please know that if you choose to NOT attend in person, we elders' fully support you in that decision. You will NOT be perceived by us as "forsaking the assembly." In fact, if you have an underlying health condition which makes you more susceptible to the coronavirus, we encourage you to continue avoiding all public gatherings. We do, however, encourage you to use the online video approach to assembling with us. We plan to continue those broadcasts on Ustream at the Highland View web site. They are also available there after the fact should you miss the live broadcast.

Our rationale for restarting assemblies now is that the virus situation is descending in most parameters. Wearing masks, maintaining a minimum of six feet of separation, and keeping hands clean and away from the face has proven effective. We will continue to incorporate these and more actions to assure a safe environment for assemblies.

Let us reinforce that you should NOT FEEL AN OBLIGATION to attend the assembly in person. We insist that you put your personal health and safety first and foremost in your thinking and planning. You have our support for your decision regardless of how you choose.

We anticipate retaining most of the safety measures we have incorporated previously. However, we now believe singing with masks on is acceptable and does not add to the risk. We also want to return to holding Children's Church and utilizing the nursery. We recognize that these programs rely heavily on the availability of volunteer staffing. PLEASE CONTACT Jackie 865-207-7083 if you would like to help with Children's Church, we could start the rotating list like we used to have. Thank You!

These last changes mean the entire building will now be accessible for your use as needed.

Remember, please continue to pray,
The Elders"
