Devon & Erin Accardi — Making An Impact

In Anderson County, **YOUNG LIFE** is currently active in Anderson County High School, Clinton High School, Oak Ridge High School, and Oliver Springs High School.

They believe in the power of presence. Kids' lives are dramatically impacted when caring adults come alongside them, sharing God's love with them. Because their Young Life leader believes in them, they begin to see that their lives have great worth, meaning and purpose.

This is the first step of a lifelong journey; the choices they make today based upon God's great love for them, will impact future decisions...careers chosen, marriages formed and families raised. All ripples from the time when a Young Life leader reached out and entered their world.

An Essential Foundation

Committee is the foundation for Young Life in a local area. Oftentimes, new Young Life clubs start because of the interest and awareness created by the committee. We also welcome the involvement of adult Young Life alumni, whose enthusiasm about their Young Life experiences is valuable to a committee.
