Welcome to Highland View Church of Christ!

Today will be a great experience with the Legacy of Love Banquet. It is so wonderful seeing our youth serving our Seniors. This is a way of honoring those in our congregation who are 65 and older. This is an expression of the intergenerational ties in our church. Each generation has something to offer, and healthy churches learn how to appreciate that. The body of Christ appreciates all aspects of fellowship. Times spent together like this give us an opportunity to hear one another's stories, concerns, and dreams. There is a powerful dynamic to fellowship that is rooted in serving. Spiritual maturity is evident in our lives and in our congregation when our greatest joy comes in serving each other.

As we interact with one another in the context of table fellowship this afternoon, may we take time to express our appreciation for what our youth have done. This commitment on their part is Christian love at its best. We are so blessed to have them!
