Welcome to Highland View
Church of Christ!

The bible is made up of 66 books.

These 66 books can be broken down into 2 testaments (39 in the Old Testament and 27 in the New Testament). From there those 66 books can be further categorized into books of law, history, poetry, prophets, Gospels, and letters.

If we're not careful (or cognizant) we can forget that, while at times helpful, splitting them, categorizing them, and separating them out can cause us to lose the fact that this is ONE story.

HIStory.

Every page of the Bible, from Genesis 1:1 to Revelation 22:21, points to Jesus.
