Church of Christ!

## All Who Have Been Brought Near

According to the Apostle Paul, all who are in Christ Jesus have been brought near to God in the blood of Christ (Ephesians 2:13). We are used to talking about being washed in His blood, and the cross being the finished work of Christ for salvation. But Paul goes much further in his thought.

When we assemble, let us be reminded that all of us have been brought near to God. Consequently, as the body of Christ we draw near to God in worshipful response as a body of believers who are already near God.

This means that we envision ourselves collectively as the body of Christ helping, supporting, encouraging one another in our Christian walk. That journey is characterized by having been brought near to God, then drawing near to God as a body of believers.

Who would have thought that we could get that close to God?!

In Christian love, Curtis
