Welcome to Highland View Church of Christ!

Welcome, this Mother's Day!

The English Standard Version uses the word "mother" 299 times in the Bible. It occurs in various circumstances, giving us a wide lens to see all types of mothers.

Eve was the mother of all living. In the original pristine garden of Eden, being the first female, she becomes the arch-type of becoming a mother and having children.

Each of us living today owe our very existence to God's ongoing plan for mother's to continue to be a "mother of all living."

Today is an unusual day for a variety of reasons. I, and some others of you, will be without our mothers for the first time on this special day. Some are just becoming mothers. Others have been mothers for many years.

Whatever your life situation, we want to honor your place in God's grand scheme in which mothers play a significant role. Paul once reminded Timothy of his sincere faith which once resided in his mother and grandmother. He was convinced that their influence was a huge factor in Timothy's character formation. Think of what our mothers have passed on to us!

In Christian love, Curtis
