Welcome to Highland View Church of Christ!

Autumn Leaves and the Changing of the Seasons

This time of year is my favorite. Autumn leaves floating to the ground, along with the smells of campfire smoke are among some of my favorite smells. I do not need to mention the kitchen smells of pumpkin pie and fresh rolls in the oven!

Last night I saw the big harvest moon. This, and the shorter days, is a reminder that the seasons are changing.

Seasons change. Life changes. Families change. Congregations change. Everywhere we turn, and everywhere we look change occurs.

We have been in prayer for the Burnette Chapel Church of Christ and the families there. We have been in prayer also for the families in Las Vegas with the changes in their lives there.

Most of the time we have no say so regarding whether or not change is coming our way. Because of this, a significant aspect of spiritual growth is how we handle change. If we are resentful, fearful, bitter, or accusatory about change, it indicates that our character and maturity are not resilient enough to handle and process the change before us.

Change is hard and difficult. But, it is the struggle with change that gives our faith muscle. How strong is our faith as we face our changes?

We welcome you this morning as the seasons change, being an assemble people of God who are determined to handle change with grace and integrity because of the power of our risen Lord Jesus!

In Christian love, Curtis
