Prayer Requests

Please keep **JUDY WALLACE** in your prayers for healing and comfort. She fell May 9th and broke her knee cap on the knee that was due to be replaced. She was hoping to go ahead and have the knee replacement but they repaired her knee cap May 10th. Then it has to heal before they can do the replacement. She is in room 313 at MMC.

Remember the family of RUBY MYERS, mother of Stacy, who passed away on May 2nd. The funeral was May 8th. In lieu of flowers, the family is asking for donations to be made to the Stepping Stone Preschool at West Sparta Church of Christ or Short Mountain Bible Camp, in Woodbury.

RICK WOODWARD has been ill for several weeks and testing is being done. His Thyroid is out of sorts and he will be seeing a specialist. Rocky Mountain Spotted Fever was one of the concerns so he has been put on an antibiotic for that. He had a sonogram on his abdomen and a chest x-ray May 10th. On May 11th, he was scheduled for a MRI on his brain. Pray for a good diagnosis and healing.

Remember FRANCES MOWERY. She has a compression fracture in her back. She may have possible surgery by Dr. McKay. Please pray for healing.

Remember BERNICE SKINNER, Johnnie Lowery's sister. She is home with the help of Home Health Care. Pray for continued healing.

Remember CHARLESTINE THRIFT. She had a wire that caught fire under her house causing the contents of her home to become very smoky. After getting new furniture, flooring and paint, she may have moved back in last week. She has been staying at her daughters while the work has been done. You can contact her at 688-8060 or 548-3842.

Continue to pray for CATHERINE SERAFIN to improve from the MRSA infection after her surgery. She is at Diversicare, room #410. Pray for all those who are caring for her.

Continue to pray for JANICE BROWN to improve from some medical issues. Give her peace and comfort as her dementia is getting worse.

Remember MISSY KING as she continues to have many health issues. Pray for her to be comforted.

May 13th, 2018

Welcome to Highland View Church of Christ!

For some, *Mother's Day* is looked forward to all year, with joyful anticipation, for others the status of Mother's Day is painfully elusive, for some it is met with dread and terrible sorrow.

We have women who are single, women who choose not to be mothers, women who don't feel called to have children mothers, step mothers, adopted mothers, foster mothers, surrogate mothers, stand-in mothers, grandmothers, mothers-in-waiting, women who know the unbelievable joy of watching their children faithfully grow, those who know the deep pain of having wayward children walk away, those who gave children for adoption, those who experience the heartbreak of infertility, those who carry the weight of an abortion, those who have faced the darkness of failed adoptions, and those who know the unfathomable pain of losing a child, as well as those children who never knew their mothers, people who have lost their mothers, and people who owe their very lives to their wonderful mothers.

We love you all. God loves you all. God values you all, cheers for you all, and weeps with you all.

We are a family of many parts, a family of many joys, and a family of many pains. We are here for you, this day, and every day.
