Welcome to Highland View Church of Christ!

Welcome Patrick Mead!

Patrick Mead is the lead minister for the Fourth Avenue Church of Christ in Franklin, Tennessee. A scientist by education – he holds doctorates in psychology and psychoneuroimmunology. Remaining active in his field, he works with various police agencies as well as federal and international law enforcement agencies as a trainer in ethics, leadership, and avoiding burnout or PTSD. He helps several churches a year restructure their leadership, vision, and programs to better match the world in which they find themselves. Several times a year, he teaches one or two day courses at various universities including The Ohio State University. Patrick has been married to the former Kami Taylor of Denver, Colorado for the last 35 years. They have two grown children and three very young grandchildren. Both of their children are very active in their churches. A confirmed introvert, Patrick rests and resets by reading two to four books a week, playing one of his guitars every day and by rejoicing in the discipline of silence and solitude.
