## Prayer Requests

**ROBERT GROSS** has an external tumor and it is more of the same cancer. His blood work was good. The doctor doesn't think that surgery is a consideration because of his weakened state. A biopsy will be done sometime during the next couple of weeks. They are waiting to hear from the doctor's office. He has an appointment tomorrow for a pet scan at Thompson Cancer Center near Parkwest to determine if the cancer has moved to other parts of his body. Radiation is the last resort so chemo will be the treatment of choice. Of course this will also be determined by what the PET scan shows. Pray that the cancer has not spread.

**HERB SHELTON**, grandfather of a friend of Clayton Woodward's, is in MMC, room 213 for an obstruction of the bowel. He was scheduled for surgery July 4th. We have no update. Pray for healing.

**GEORGIA GROSS and JORDAN ROBBINS**, grandchildren of Robert and Frances, are doing well after their surgeries. Thank you for all of your prayers and support!

**FRANCES MOWERY** had a CT myelogram June 28th because of severe back pain. Pray for a diagnosis that can take her pain away.

**JERRI WOODARD** is a 93 year old lady that Serina Olsen is caring for. She is also a friend of Johnnie Lowery. Jerri is in the hospital with a-fib heart condition and prayers are requested for her to be able to come home soon.

**RUTH HALL**, grandmother of Bill Olsen, is in the hospital in Indiana. She had a stroke. Pray for comfort for her and the family.

**BELINDA**, friend of Nancy Hensley, continues to have several medical issues after her surgery over a month ago. She is in rehab but has gone back to the hospital for the third time. Pray that she can get better so she can go home.

**BRYSTOL**, a little girl from David Morgan's home in Kentucky, had brain surgery June 26th in Cincinnati Children's Hospital and is doing well. Continue to pray for her and her family, and the medical staff working with her.

Continued prayers are requested for **JONATHAN SEAMON** (Barbara Maberry Seamon's husband) for complete healing and that the infection will not return.

Remember **CATHERINE SERAFIN; DENNIS CONNELLY; MARK CASE and his mother NANCY**. Pray for comfort, peace and healing for **JUDY WALLACE**.

## Welcome to Highland View Church of Christ!

It is so exciting to sit back and see God's hand at work.... God goes before us and is orchestrating his great will all around us and it is a powerful reminder that God can (and will) do powerful things, for his glory, when we get out of the way and let God be God!

This morning we are going to look at a few sections in Luke 15. Luke 15 is a beautiful example of Jesus reminding us of God's character. We see, again, that it's not just Jesus who demonstrates perfect love, perfect mercy, perfect grace, but that when Jesus models such things, he is reflecting the Father's character ("I and the father are one").

The song "Reckless Love" says  
*the overwhelming, never-ending, reckless love of God  
 it chases me down, fights 'til I'm found, leaves the ninety-nine.  
 I couldn't earn it and I don't deserve it,  
 still, You give Yourself away.  
 Oh, the overwhelming, never-ending, reckless love of God*

This morning, let us not miss God's love for the One, or Jesus' real message for us in the family of the Prodigal son.
