Welcome to Highland View Church of Christ!

INSANITY

We all know that some people follow Jesus and that some people choose to reject him.

But what if the Jesus that people are rejecting.... Isn't really Jesus, at all?

What if the Jesus that people find off-putting doesn't look, smell, taste, act, think, or teach like the real Jesus?

Following that same logic train.... what if the Jesus that people DO accept doesn't look much like the real Jesus, either?
