Welcome to Highland View Church of Christ

Remember.

Our memories contain unprecedented power that can be triggered by thought, sight, or (strongly) by smell. Coaches tell players to remember what they've don't all season, soldiers and first responders are told to remember their training, parents tell their children to remember their upbringing, preachers and pastors tell their flock to remember who God says they are.

Remember.

All through the Hebrew Bible God encourages the Israelites to remember who God said God was. Jesus echoes this over and over again in the Gospels...

Remember.

Remember who God said God is.

Remember who you are in Christ.

Remember what God has done.

Remember what God paid for you.

Remember God's promises.

When you forget, when you doubt, when you fall, when you run....

Remember.
