CHANGE

“Don’t forget your change!”

This is often the parting exchange when we have made a purchase. How easy it is to forget our “change.”

Being a Christian is all about “change.”

Life is all about “change.” We are born into this world as an infant, grow into a toddler, then a pre-schooler, then to primary school, then middle school, then high school, then off to college, then into the wonderful world of work, family and taxes.

God expects us to change. He opened the door for Peter to make a terrific change in his life. He offers the same for us.

We can “change” from being all for our selves to being a child of God. We can “change” from being “lost in sin” to being cleansed from sin and able to “boldly approach the throne of God.”

Even after we become a Christian, we are expected to continue to “change” to be of more service, to be more like Christ, to be closer to our creator and to be more of a good example to our children and those surrounding us.

Sometimes this “change” is very slight and hardly noticeable. At other times like Abraham and Job, the change is dramatic and totally life upending. Are you “changing” as God wants you too? Are you making a daily progress to the life He wants you to have? Has your life been upended as you serve Christ? Expect change. Welcome change. Be changed into the image of Jesus Christ.
