JOE TACKET had a MRI April 17th. Pray for good results.  
 BESSIE TURPIN fell about 2 weeks ago and broke her 2nd and 3rd vertebra in her back. She has a brace on her back that extends around the neck. She is now at NHC Rehab in Farragut, room 427 for therapy. Pray for healing and relief of her pain.  
 GINNY MALLING had surgery in Nashville on April 16th for her torn tendon and it went very well. She is home and will be in a boot for several weeks and use a walker. She will need to keep her foot propped up for three days and will be home bound for about two weeks. Then she will see the doctor again. Pray for a quick and painless recovery.  
 NANCY HENSLEY had shoulder surgery April 8th. She is not doing as well as she expected. She came home from Diversicare April 15th. Beth Jinkerson has coordinated meals for her through today. If you would like to be involved, contact Beth. Pray for healing, physical and mental strength and comfort.  
 BETTY GRIFFIN, Mother of Rodney Griffin, is in ICU at Vanderbilt hospital following hip replacement surgery. She has 2 hematomas that have been surgically repaired. Pray for no more hematomas and for her kidneys to wake up. She is currently on intermittent dialysis.  
 Pray for continued healing for JUDY WALLACE. She is slowly recovering from respiratory problems in addition to healing from her knee surgery as well as surgery for the breaking of her ankle and a fractured vertebra from a fall several weeks ago.  
 A FRIEND OF JORDAN WAGNER has stage 4 cancer. The chemo is making her sick and weak. Her family needs prayers for peace, comfort and healing.  
 LEVI DODD is scheduled for nasal surgery tomorrow for a deviated septum, damage from some breaks and bone spurs. Pray that it will be successful and that he will have an easy recovery.  
 DEBBIE WOODWARD is scheduled for surgery on Tuesday, April 23rd. Pray for a good report.  
 COLMAN WRIGHT is in a ward for dementia at Arbor Terrace in Knoxville, 9051 Cross Park Drive next to Cedar Bluff Library. His daughter Wendy would love for him to have visitors but since he's in memory care, precautions have to be taken. Please sign in at front desk and ask to be sent up on the elevator. If you don't see him in the common area, ask a staff member to let you into his room so you can have a private visit. He eats at 8:30am, 12:30pm and 5:30pm, and each meal takes around 30 minutes, so you might want to avoid those times. Introduce yourself to him. He may know you, but he might not immediately remember your name and that always embarrasses him. Thank you for anyone that can visit. Please remember Colman in your prayers.
