**HENRY PURCELL** is in NHC in Oak Ridge, room 110 (it could change). Keep him and the family in your prayers.

Continue to pray for **LEVI DODD** to heal from surgery performed April 22nd for a deviated septum, damage from some breaks and bone spurs. He has had two incidents since the surgery that have caused him much pain and has set him back in his healing process. He has to be still as possible, not even moving facial muscles, and keep his body temperature cool so that the bleeding will not start again. Pain medication is not working so he has been taken off of it but has been put on a steroid pack which is working much better. Pray that he will not have any more pain or complications and that healing will come quickly. Remember Erin as she cares for him. She is doing okay but this is very stressful on her to have to see Levi in pain so long.

**RUBY HARMON**, Joe Tackett's sister, fell and broke 2 bones. She had surgery May 5th. Pray for healing and comfort.

Pray for healing for **JERRY ALLMON**. He is in NHC with pneumonia.

**BESSIE TURPIN** has returned to Autumn Care, room 208. Pray for healing and relief of her pain.

**GINNY MALLING** had surgery in Nashville on April 16th for her torn tendon. She returned April 29th to have the stitches removed and will continue to be in a boot for four more weeks. She is having some problems with the pain from the healing process. Pray for a quick and painless recovery.

**BILL OLSEN** is on oxygen. He has one functioning lung and the oxygen is helping at this time because of all the pollen and allergens which make it very hard for him to breathe. He does not know how long he will need to be on it. Keep Bill in your prayers.

Remember **NANCY HENSLEY** as she continues to heal from shoulder surgery and for **JUDY WALLACE** as she continues outpatient physical therapy.

Continue to pray for **BETTY GRIFFIN'S** recovery, Mother of Rodney Griffin. She is in a rehab facility in Lebanon.

Continue praying for **FRANCES MOWERY** for chronic health problems.

**BETTY HERNDON**, Debbie Woodward's oldest sister, has Macular Degeneration and only has peripheral vision. Pray for comfort and that it doesn't worsen.

## Welcome to the Highland View Family

### YOUNG MOTHERS

Has your child ever tossed a doll back two rows during services while you stared ahead wishing you were invisible?

You have probably heard the voice of your own young one in the pause of "Rock of Ages," sing in an off-key, "Jesus Loves Me." You have heard in the interlude of announcements a little prayer in the loudest voice praying for the dog, the cat or some such critter at home.

Incidents such as these make one wonder, "Why am I here?" No sooner do you sit down than you get up, reach out, pick up, take out and on and on. You want so much to keep your children quiet and not distract others.

Everywhere there are mothers who pick up toys, dry eyes, wipe noses and bow heads. They swat, spank, scold and wonder, "Oh, why am I here?" But they come. A pattern is being set and the hand that threw the doll may someday sow the seed of salvation.

Many times, we wonder, we sit embarrassed, but we're always there (the young mothers). Young mothers have their moments of discouragements. Pray for them. When you see a young mother, tell her you are glad that she and her family are there. Encourage her for there (with her children) goes tomorrow's church. Many times older people forget how their children misbehaved and acted out in public. Hats off to the PARENTS who BRING their CHILDREN to CHURCH!!

— Author Unknown, but certainly a parent who brought their children to church.--
